

1 FIRST FLOOR PLAN  
1/8" = 1'-0"

**GENERAL NOTES:**

1. Plan representations assume that walls are square & true (i.e. perpendicular & parallel to each other). Labeled dimensions are taken from the face of finished walls. Floor dimensions are adjusted to match overall measurements. The thickness of end walls & walls between units were not measured.
2. Unit area calculations are based on outside face of exterior walls and the centerline of common walls unless noted otherwise.

**UNIT AREAS (approx. sq.ft.):**

Unit #1	470	Unit #5	470
Unit #2	470	Unit #6	470
Unit #3	470	Unit #7	470
Unit #4	470	Unit #8	470
		Unit #9	470

**CERTIFICATION:**  
I hereby certify that these plans fully and accurately depict the layout, location, main entrances, approx. areas and dimensions of the units as built and named as indicated.
